

Nonlinear Processes in Geophysics

Open Access Journal

Full Peer-Review | Immediate Article Publication | Free Online Access |

Full Alert Service | Author Keeps Copyright

Executive Editors

Roger Grimshaw, Ulrike Feudel, Jürgen Kurths,
Daniel Schertzer & Olivier Talagrand

Aims and Scope

Devoted to nonlinearity research in all areas of Earth, atmospheric and planetary sciences.

Nonlinear Processes in Geophysics (NPG) is an international, interdisciplinary journal for the publication of original research furthering knowledge on nonlinear processes in all branches of Earth, planetary and solar system sciences. The editors encourage submissions that apply nonlinear analysis methods to both models and data.
